WORK

TRIAD SYSTEMS

Contract Graphic Designer at Boeing (August 2014 – Present)

At Boeing Commercial Airplanes (BCA) I design graphic materials to support BCA Sales and Product Marketers with customer engagements. I provide design direction and brand guidance to product analysts and new hires; manage, develop and maintain content for brand style guides and templates; and design PowerPoint presentations for senior executives using advanced animation techniques. I edit print materials during annual updates by collaborating with Creative Services designers.

DIANE TCHAKIRIDES DESIGN

Freelance Graphic Design (May 1998 - present)

I work with a variety of clients and design visual materials that enhance their brand. My services include art direction, brand/identity development, print and web design as well as production. Areas of expertise include presentation design, textile design, illustration and photo editing.

ALASKA AIRLINES

Training Content Developer (January 2010 – November 2010)

Wrote learning objectives, project plans and schedules for recurrent training for ticket agents, cargo and ramp workers. Used Articulate to produce training modules, developed scripts and provided voiceovers for training.

THE CREATIVE GROUP

Graphic Designer, Two six month contract jobs in 2008 and 2009

Worked in the marketing department at PEMCO Insurance and produced print and web collateral for annual meetings and internal customers. Designed executive presentations, brochures, newsletters and event signage.

NORDSTROM

Textile Designer (January 2007 – June 2007)

Designed textile prints for Kids, Baby and Tween products. Researched design trends, created color palettes and worked with vendors in Asia.

UNIVERSITY OF WASHINGTON

Graphic Designer, September 2003 - August 2013

Developed a website and classroom materials for the Integrated Environmental Health Middle School Project (IEHMSP) and the Health and Safety Awareness for Working Teens (HSAWT) program. These projects provided resources for teachers and students on topics of environmental health and safety awareness.
